## Group Critical Illness Insurance

Provides lump-sum cash benefits that can help with daily expenses

Group Voluntary Critical Illness coverage from Allstate Benefits pays a lump-sum cash benefit to help you cover the out-of-pocket expenses associated with a critical illness.

# group critical illness

No one knows what lies ahead on the road through life. Will you be diagnosed with cancer? Will you suffer a stroke, heart attack or the complete loss of hearing? The signs pointing to a critical illness are not always clear and may not be preventable, but our coverage can help offer financial protection in the event you are diagnosed.

Critical illness coverage can help offer peace of mind when a critical illness diagnosis occurs. Below is an example of how benefits might be paid.<sup>†</sup>

The employee chooses benefit coverage under his **Employer Approved Plan**

Three months after his annual wellness exam, the employee suffers a heart attack and is hospitalized for three days.

The employee continues to receive annual wellness exams. Three years later the employee is diagnosed with cancer and is hospitalized for three days.

Four months later the employee has coronary artery bypass surgery and is expected to make a full recovery.

The employee leaves his job and is able to take his coverage with him.

Our Critical Illness insurance policy provided the following:

Wellness	\$ 200
Cancer	\$ 10,000
Heart Attack	\$ 10,000
Bypass Surgery	\$ 2,500

Total Benefits: **\$22,700**

<sup>†</sup>The example shown may vary from the plan your employer is offering. Your individual experience may also vary.
